Upcoming Programs

Monthly Roundtable Sessions

Join fellow book worms and business owners for fun and friendly business book discussions designed to inspire and motivate.

Woman Owned Wednesday

A lunch-time webinar where you'll get inspired by successful women business owners who will share their journey to success.

Low-Income Entrepreneurship Legal Clinic

Free 30-minute consultation with an attorney to discuss any legal issues or concerns pertaining to business operations including: entity formation, contracts, trademarks, patents, employment procedure, lawsuits, or immigration.

Women's Business Accelerator

An 8-week program where participants take part in a combination of expert led workshops, one-on-one meetings with mentors and peer-to-peer discussions all designed to help them improve their business processes and set a foundation for growth.
