Upcoming Programs

Monthly Mentoring Sessions

Join fellow book worms and business owners for fun and friendly business book discussions designed to inspire and motivate.

Leadership Training

A lunch-time webinar where you'll get inspired by successful women business owners who will share their journey to success.

Jumpstart Your Business Sessions

Monthly workshops for individuals who are interested in learning the in's and out's of starting a business.

WiTech Business Accelerator

An 8-week program for female founders of technology firms. Participants will take part in a combination of expert led workshops, one-on-one meetings with mentors and peer-to-peer discussions all designed to help them improve their business processes and set a foundation for growth.
