Upcoming Programs

Startup Informational Sessions

A biweekly session for individuals who are in pre-startup stage and interested in learning the 32 things to do before launching a business.
Register here: bit.ly/DFWStart

Woman Owned Wednesday

A monthly, lunchtime webinar where you'll get inspired by women business owners who share their journey to success.

Road to Entrepreneurship

Ready to launch? This monthly course is designed to give you detailed insight to build a road map to entrepreneurial success.

Business Accelerators

The Emprende accelerator is a five-week, Spanish-language course taught in a group-learning setting with personalized counseling, all designed to help participants improve their business processes and set a foundation for growth.
